Appointment of Chair and Vice-Chair – Commission needs to vote on a Chair and Vice-Chair for the balance of 2009 and the beginning of 2010.

Commission Goals for 2010 – Every February the Commission discusses its goals for the current year. To start the conversation, I would suggest five items. We can certainly add/subtract as we proceed.

1. Facilitate the process and seek completion of two additional bocce ball courts in the Commons Park.
2. Support the Hacienda Foundation as they attempt to accomplish improvements to the Hacienda, 1) Fireside Room 2) Dance Room floor 3) Ladies Lounge 4) Men's Restroom.
3. Work with Park Foundation – facilitate lighting upgrade of band shell, including ADA ramp and east side patio. Band shell improvements continue to be a high priority for MPF as well.
4. Commons Park Master Plan – The Parks and Recreation Master Plan suggests that a site specific master plan be developed for the Commons Park in order to provide adequate future planning. Currently staff is looking at two additional bocce ball courts and looking into the feasibility of a dog park in the "Back 40." Both projects will impact the current configuration of the existing Disc Golf Course. While funding for this plan will undoubtedly be an issue, the Commission may wish to discuss again.
5. Joint meeting with Town Council – Our last meeting with Town Council was March 3, 2009. If the Commission wishes to meet in 2010 we should discuss potential dates. Staff feels it would be a good idea to meet with Town Council on an annual basis.
