TOWN OF MORAGA

STAFF REPORT

To: Parks and Recreation Commission
From: Jay Ingram, Parks and Recreation Director
Subject: February Agenda Items

Unfinished Business

Commons Park Band Shell Improvement Project – (Discussion/Action)

At the January 18, 2011, meeting of the Moraga Park and Recreation Commission, representatives of the Moraga Park Foundation presented the Foundation's conceptual plan for expansion of the snackstand at the Moraga Commons. The plans call for expansion of the interior of the snackstand area by enclosing an area to the rear of the existing snackstand. This area is currently partially enclosed or covered by concrete slab. New construction will enhance but not disturb existing landscaping. It will also facilitate additional recreation programming at the Moraga Commons.

The project will be designed, funded, and constructed by the Moraga Park Foundation then gifted to the Town upon completion.

Requested Action:

The Park and Recreation Commission heartily supports the Park Foundation's conceptual plans and believes it will add significantly to the value and function of the Commons park.

The Park and Recreation Commission urges the Town Council, Design Review Board, Planning Commission, and Town Staff to give prompt consideration to review and approval of this important project. The Commission also urges fee waivers or fee reductions to facilitate completion of this project.

New Business

None
