IV. A. Continuation of Suggested Art Pieces and Locations – (discussion/action)

The attachment to this staff report displays 20 photos of proposed public art. At the June APSC meeting the Committee voted to locate public art at the Moraga Library and the Town Council Chambers/Community Meeting Room at 335 Rheem Blvd. The Committee should be prepared to discuss the proposed art pieces and any other that may be provided at the meeting.

Suggested Next Steps:

1. Identify art pieces to display in Moraga, deciding on which sculptures should go where.
2. Take formal action on desired artwork and identify a location.
3. Begin discussions with artist to enter into an Artist Loan Agreement.
4. Prepare the necessary paperwork to prepare request to Town Council.
