

## AUGUSTA DRIVE STORM DRAIN REPAIRS Construction Notice & Project Information

The Town Council has awarded a construction contract to **FJ&I Engineering** for the Augusta Drive Storm Drain Repairs project. Construction is **anticipated to begin Monday, November 17, 2025**, weather and site conditions permitting.

### Project Location

Work will occur near the **western corner of Augusta Drive and St. Andrews Drive**. Please see the attached site map for the exact location.

### What Work Will Be Done?

The project includes:

- Excavation of a trench in the roadway
- Replacement and repair of damaged storm drain pipe
- Asphalt pavement trench restoration

Recent inspections identified a section of reinforced concrete storm drain pipe with multiple cracks and severe crown damage. To prevent future roadway damage and in preparation for the planned **2026 Augusta Drive street rehabilitation project**, this storm drain segment must be replaced now.

### Schedule & Work Hours

- **Construction dates:** November 17, 2025 – December 10, 2025  
(subject to change due to unforeseen site conditions or adverse weather)
- **Work hours:** 8:00 a.m. – 5:00 p.m., **Monday through Friday**  
(occasional exceptions may occur)

### Traffic & Parking Impacts

- Expect **minor traffic delays** near the work area.
- **Street parking will be temporarily limited** during construction hours.
- Please observe all posted **“No Parking”** signs to avoid ticketing and towing.

We appreciate your patience and cooperation as we complete this important community infrastructure project.
