In cases where the death of an immediate family member is outside California and the employee is required to travel out of state to attend to the death of the family member, the employee shall be granted a maximum of five (5) days leave. Employees requiring more than the leaves set forth in this section are able to utilize vacation and/or other available leave for such purposes, subject to reasonable notice and the operational needs of the department, as determined by the Department Head. “Immediate Family” is defined as wife, husband, domestic partner, son, daughter, mother, father, brother, or sister of employee, parent of a spouse or

domestic partner, and close blood relatives or close relatives living in the member's household.

VI. ADMINISTRATIVE LEAVE

Administrative leave shall be given at the rate of 80 hours per fiscal year and is not accruable.

VII. VACATION

Vacation shall be accrued based on years of service as follows:

- A. For employees hired on or after July 1, 2017, vacation leave shall be earned, beginning in year one of employment at the rate of 3.08 hours per pay period (80 hours per year). Subsequently, an additional 8 hours per year shall be earned per year of service, up to a maximum of 200 hours per year. An employee may accrue a maximum of 240 hours. Once the accrual maximum has been reached, no additional vacation shall be earned or accrued until the balance falls below the 240-hour maximum accrual amount.
- B. For employees hired before July 1, 2017, vacation leave shall be earned, beginning in the first year of employment at a rate of 4.61 hours per pay period (120 hours per year). Subsequently, an additional 8 hours per year shall be earned per year of service up to a maximum of 240 hours per year. An employee may accrue a maximum of 280 hours. Vacation "cash-out" as detailed in paragraph VII.C does not apply to this position.

- C. Any Employee who has accrued more vacation than the 280 hour maximum accrual amount as of July 9, 2017 shall be paid for the number of vacation hours the employee has accrued above the 240-hour annual maximum accrual amount, so that the accrued vacation balance for the employee will be reduced to 240 hours as of July 9, 2017. The pay rate for the vacation "cash-out" shall be based on the pay rate in effect as of July 9, 2017. Vacation "cash-outs" shall be made to employees no later than August 11, 2017.
- D. Town Manager has the authority to negotiate larger vacation accruals for newly hired Mid-Management/Professional employees based on years of local agency experience, difficulty in recruiting and retaining employees, and consideration of internal equity and fairness.
- E. Employees are encouraged to take annual vacation leave equal to time accrued.

- F. Employees may request to cash-out up to 60 hours of accrued vacation leave once each fiscal year so long as the employee maintains a 120 hour vacation accrual minimum after the vacation accrual cash-out and the employee is in “good standing” within the past 12 months as verified by employee’s supervisor. The cash-out is issued after an employee submits a written request for the cash-out to the Administrative Services Department.

IX. MEDICAL BENEFIT

- A. The Town will contribute monthly toward the medical insurance premium for medical coverage for each employee and eligible dependent up to a maximum of the Kaiser HMO – Gold level plan for the 2017 plan year.
- B. If an employee chooses a plan other than the Kaiser HMO – Gold level plan, the Town agrees to contribute the value of the full monthly premium cost for the employee and eligible dependents as established under the Kaiser HMO – Gold level plan, for the 2017 plan year, toward the premium of one of the other medical plan options as selected by the employee. If the monthly premium for the plan option and coverage level selected by the employee exceeds the Town’s monthly contribution as described in paragraph IX. D. for the same coverage level (i.e., employee, employee/spouse, employee child(ren), or employee/family), the employee shall pay the balance of the premium cost through a pre-tax payroll deduction.
- C. In the event the Kaiser HMO – Gold level plan is discontinued or no longer available, the Town will offer a mutually agreeable plan equivalent to the Kaiser HMO-Gold level.
- D. For the term of this agreement, the Town agrees to contribute up to the monthly premium rates established under the Kaiser HMO – Gold level plan for the January 1, 2017 – December 31, 2017 plan year for medical insurance coverage for each employee and eligible dependent. For each subsequent plan year, the

Town's contribution shall include the amount of any premium increases for the Kaiser HMO – Gold level plan not to exceed twelve percent (12%) for each employee and their eligible dependents. Any increase exceeding twelve percent (12%) and less than twenty (20%) will be paid by the employee. If the Kaiser HMO-Gold level plan premium increase is twenty percent (20%) or greater, the Town Council agrees to reconsider Section IX.D. of this Resolution.

- E. With proof of alternative medical insurance, an employee may opt to receive \$600 per month as cash in-lieu of medical coverage or as a contribution into the individual's deferred compensation (ICMA 457) account in lieu of medical benefits.
- F. For regular (permanent) part-time employees, the Town will pay pro-rated amounts for medical insurance coverage.

X. DENTAL BENEFIT
