

## Town of Moraga Emergency Service List

The Town of Moraga is a limited service municipality. We have no major construction equipment and a limited number of maintenance workers on staff. Most of our construction and repair projects are completed on a contractual basis.

To assist you in resolving your specific problem, we have developed this list of local suppliers and contractors. Although the ***Town of Moraga does not endorse or accept responsibility for the work of any of the individuals or companies listed below***, we do hope that they will be able to assist in resolving your emergency situation.

If you need further assistance, please feel free to contact the Moraga Town Offices, 329 Rheem Blvd. Moraga, at (925) 888-7026
