St. Mary's Road at Rheem Boulevard and Bollinger Canyon Road Roundabouts Project

Project Update Meeting

What: Project Community Meeting
When: Thursday, September 27, 2018
4:30 to 6:00 pm or 6:30 to 8:00 pm
Where: Orinda Room, Soda Center, Saint Mary's College
1928 St. Mary's Road, Moraga

The public is invited to attend a community meeting for the St. Mary's Road Roundabouts Project. The project seeks to improve safety and traffic operations by placing a roundabout at the intersection of St. Mary's Road and Rheem Boulevard, and a mini-roundabout at the intersection of St. Mary's Road and Bollinger Canyon Road. The presentation at the Orinda Room, Soda Center, Saint Mary's College will cover public comments received; and address safety needs; alternatives analysis; project costs and funding. There will be two presentation times to hear more about the project, either at 4:30 pm or 6:30 pm on September 27, 2018. The presentation will be the same at both times.

Please join Town representatives and project team members to learn about the project and give your feedback on design options. There will be an interactive questions and answers period with the project team immediately following the presentation. Light snacks will be provided.
