**TOWN OF MORAGA
2020 PAVEMENT OVERLAY PROJECT
TOWN PROJECT NO. 20-402**

The Town of Moraga has awarded a contract to Bay Cities Paving & Grading to begin construction on the project listed above. You are receiving this notice because your street or the adjacent will be repaved which may affect your normal route of travel. Please see the list of streets and map of the streets on the back of this letter.

The goal of this project is to provide improvements to the pedestrian and vehicular facilities in the Town of Moraga. The major components of the work include replacing concrete curb, gutter, sidewalks, wedge and asphalt grinding and overlay and traffic signage and striping. Work on this project is scheduled to begin on Monday, August 31st, 2020. Working hours are typically expected to be from 8:00 AM to 5:00 PM, Monday through Friday, some variations in this schedule may occur. The project is scheduled to be completed November 2020.

For major operations of work street parking will be prohibited. Please look for "No Parking" signs posted on barricades specify the dates and hours of restricted parking. It is critical that no cars remain parked on the street in posted areas during the indicated time period as they may be towed. There will be traffic and pedestrian handling procedures put in place to minimize any inconveniences that may be caused by construction however, we recommend taking alternate routes where possible and finding parking on adjacent streets to avoid any problems. The public will have access to residences, but keep in mind, that delays are expected during working hours. **Emergency access will always be provided.**

Note that your garbage pickup will continue to be on the regular day; please put your containers out the night before as usual. All postal services will continue as well. On days where surface treatment will be performed, make sure to keep your sprinkler systems off to prevent any delays. Additional notifications will be distributed prior to major operations that will detail the impacts on your street.

Your patience and cooperation is greatly appreciated during this important project.

For more information, please visit the project website at www.moraga.ca.us/2020paving. You can also sign up to receive project updates at www.moraga.ca.us/notifyme.

Should you have any further questions regarding the construction of this project, please contact the following:
