Maintenance Worker

Class specifications are only intended to present a descriptive summary of the range of duties and responsibilities associated with specified positions. Therefore, specification **may not include all** duties performed by individuals within a classification. In addition, specifications are intended to outline the **minimum** qualifications necessary for entry into the class and do not necessarily convey the qualifications of incumbents within the position.

Established:
Revised: December 2020
Employee Group: Moraga Employees Association
FLSA Status: Non-Exempt

CLASSIFICATION DESCRIPTION

Purpose

Under supervision, performs a variety of unskilled, semi-skilled, or skilled labor in construction and maintenance tasks and operates public works/parks equipment. Assignments may include general landscaping, grounds and building maintenance, street maintenance, and storm drainage.

Distinguishing Characteristics

The Maintenance Worker position is an entry level class. Initially under close supervision, incumbents learn basic maintenance, construction, and safety procedures. As experience is gained, there is greater independence of action within established guidelines and incumbents are expected to perform a broader scope of duties.

Working Conditions

Evening shift, weekend shift, standby, emergency and/or on-call work is required.

Exposure to extreme heat and humidity working outdoors; exposure to temperature swings from air conditioning to outdoor temperatures; exposure to machine noise, fumes, odors, and dust; exposure to mechanical hazards in operating vehicles and equipment.

Work environment is informal, both team and autonomy oriented, having both routine and variable tasks, with variable pace and pressure.

Physical and Mental Demands

Work is conducted in primarily in the field on a year-round basis. (1) Mobility: frequent performance of heavy manual labor; frequent standing for long periods of time; frequent bending and squatting. (2) Lifting: frequent lifting up to 50 pounds; occasional lifting up to 75 pounds. (3) Vision: constant use of overall vision. (4) Dexterity: frequent grasping, holding, and reaching. (5) Hearing/Talking: frequent hearing and talking in person. (6) Emotional/Psychological: frequent coworker contact; occasional working alone. (7) Environmental: frequent exposure to loud noise; frequent exposure to chemicals, fumes, and other environmental substances.

Supervision Received and Exercised

Receives direction from the Lead Maintenance Worker or Public Works/Parks Maintenance Supervisor. Supervises the work of temporary employees and court workers as assigned.

EXAMPLES OF DUTIES

Duties may include, but are not limited to, the following:

General Duties:

- Perform a variety of skilled, semi-skilled, and unskilled maintenance and construction duties related to parks, buildings, streets and storm drainage.
