

# 2024 STREET REHABILITATION PROJECT

November 14, 2024

Dear Resident-

Bay Cities Paving & Grading will be continuing work on **Corliss Drive between Wakefield Drive and Warfield Drive**. They will continue with concrete sidewalk demolition and form work.

Traffic Conditions will be changing from what you are accustomed to so please prepare for this work. **Traffic Devices will be installed to create a One-Way Traffic condition which will impact residents and Los Perales Elementary School for the next 3-4 weeks. Drivers coming out of the school can only make Right Turns. Designated Pick Up and Drop Off Locations will be marked.**

The proposed work will include demo, off-haul, and re-pouring of concrete curb, gutter, and sidewalk; concrete retaining walls and driveways; ADA Ramps and Asphalt Paving; and Signs & Striping. **The work hours will be Monday - Friday 9AM - 6PM with intermittent shut down around the Los Perales Elementary School Bell Schedule.** Please see the temporary traffic control plan and the recommended detour map.
